About Us

Our Journey from Real Estate to Migration Law

Visa Home Lawyers is a registered business name of the incorporated legal practice Paplaw Pty Ltd, who is the qualified entity providing legal assistance, established in October 2021. We originally built our reputation as real estate specialists through Century 21, with a strong focus on property law through the previous law firm Toongabbie Law Pty Ltd (trading as Papantoniou Blake Lawyers), established in 2014. After recognising the growing demand for other areas of law, we expanded our legal practice to offer immigration law under the Visa Home Lawyers' brand.

We are proud to be a trusted name in property law and offer immigration law, which combines our deep roots in real estate with a comprehensive understanding of Australia's immigration system. Our goal is simple: to make your journey as smooth, transparent, and stress-free as possible.
