# About Us

## Our Journey from Real Estate to Migration Services

Visa Home Lawyers is a part of PAPLAW PTY LTD, a registered Australian private company established in October 2021. We originally built our reputation as real estate specialists through Century 21, with a strong focus on property law through the previous law firm Toongabbie Law Pty Ltd (trading as Papantoniou Blake Lawyers). After recognising the growing demand for other legal services, we expanded our practice to offer migration law services under the Visa Home Lawyers brand.

We are proud to be a trusted name in property law and offer immigration law, which combines our deep roots in real estate with a comprehensive understanding of Australia's immigration system. Our goal is simple: to make your journey as smooth, transparent, and stress-free as possible.
